

VIII. NOTES

If you have any questions, please call the Mechanical Inspector, Monday, Wednesday & Friday mornings between 8:00 am - 9:00 am at (231) 689-7216

Item #1-Residential Heating System: Is used for the installation of a heating system in a new residential structure. This requires two inspections, rough-in & final. Check fee schedule for additional charges. Replacement systems should be itemized.

If an item is not listed in the category you are working in and it is in the other category, write the item in the blank toward the bottom of the column and use the unit charge listed.
