August 23, 2017,

Sgt. Cliff Afton,

It gives me great pleasure to recognize you as the Newaygo County Employee of the 2<sup>nd</sup> Quarter 2017. You were nominated and selected for your outstanding service, leadership, knowledge and commitment.

You demonstrate excellence in leadership at your job by proactively participating in problem solving, providing information and knowledge not only within your office but working with other departments such as the courts and other jurisdictions. Your willingness to educate and provide assistance is extremely valuable.

You have assisted the jail in training many new corrections officers. You have also stepped up and taken on assignments in the training unit that only someone with your knowledge and expertise could pull off.

Additionally you've gone above and beyond your normal expectations by taking the initiative to improve the training for the Newaygo County Jail.

These are great examples of why you are being recognized as an outstanding employee. You exemplify dedication and commitment. You are undeniably a great asset to Newaygo County and to all that have the privilege of working with you.

The Board of Commissioners, the Newaygo County employees and I would like to offer our sincerest congratulations on receiving this well-deserved award. We would like to extend our deepest gratitude for your service.

Sincerely,
